

TOPSoccer Volunteers Needed! Become a **TOPSoccer Buddy**

What is TOPSoccer?

TOPSoccer is a community-based training and placement program for children with disabilities that allows them to be part of a soccer club. Through TOPSoccer, young athletes in grades K-12 will be working on: team work, socialization, physical fitness, self esteem and development of skills. Activities will be adapted and modified as needed to allow participation and enjoyment to each child.

What is a Buddy?

A buddy is a volunteer paired up with a TOPSoccer athlete. Roles of a buddy can include creating successful opportunities for athletes, facilitating interactions with other athletes and keeping the athlete safe and engaged. Soccer experience is not required, but can be a plus and you can earn community service hours for your commitment in the program. Training will be provided to all buddies.
